

2021 Flood Protection Subsidy Program

If you have experienced water or sewage in your basement, the City of Brandon has a program that may help prevent future events from happening again.

Beginning May 29, 2021 all existing Brandon residents and businesses are eligible for a rebate of up to \$2,500* for the installation of a sump pit & pump and up to \$1,500* for the installation of a back-water valve.

To apply, submit a quote with a set of plans and a plumbing permit application (*enclosed*) to the Development Services office at 638 Princess Avenue (Entrance D) or submit your plumbing permit application online at permits.brandon.ca

- All applications must be submitted on or before December 31, 2021 and will be processed on a first-come-first serve basis.
- All work must be completed by a licensed plumbing contractor with a copy of the paid invoice submitted to the City on or before January 15, 2022.
- All work must comply with the City of Brandon Building By-law and pass required inspections by the City of Brandon. (*see insert for more details*)

**For further details, please call 204-729-2110,
visit us at 638 Princess Ave, or view the website
at Brandon.ca**

*The subsidy program will pay up to 75% of the invoiced amount up to a maximum of \$2,500 for a sump pit & pump, and up to a maximum of \$1,500 for a back water valve.
